

# Our Partners in your Community

## Working together to support you and your community to thrive

**Community Connectors** for South Cambridgeshire. Think Communities Team, Cambridgeshire County Council. Connecting people, places and the system together to support collaboration, community led activity and build community resilience.

**Katie Ixer and Scott Liddle**, Community Connectors. Email [Community.southcambridgeshire@cambridgeshire.gov.uk](mailto:Community.southcambridgeshire@cambridgeshire.gov.uk)

**Community Development**, South Cambridgeshire District Council

Development Officer for Health ensures that health and wellbeing is encouraged and promoted across all communities, from ensuring that new communities promote healthy lifestyles through planning and housing development, to ensuring all residents have access to groups and clubs which support them to make healthy lifestyle choices.

**Lesley McFarlane**, Tel - 01954 713443 Email [lesley.mcfarlane@scambs.gov.uk](mailto:lesley.mcfarlane@scambs.gov.uk)

The Development Officer for Community-Led Plans develops, delivers, monitors and evaluates projects and initiatives, often with partner organisations, with and in local communities. Also responsible for managing the Council's Community Chest grant scheme and providing advice and guidance to community groups as appropriate.

**Emma Dyer**, Tel - 01954 713344 Email [emma.dyer@scambs.gov.uk](mailto:emma.dyer@scambs.gov.uk)

**How Are You Cambridgeshire & Peterborough (H.A.Y.)** is a family of digital spaces that bring together everything in the local community that boosts wellbeing. Connecting with others, getting active, learning a new skill, being creative, seeking professional support, exploring the outdoors, volunteering – all these things (and more) can improve wellbeing. H.A.Y. is all about helping you look after you.
